Statement of Environmental Effects

LEGISLATION

In accordance with Schedule 1 of the Environmental Planning and Assessment Regulations 2000 a development application must be accompanied by a Statement of Environmental Effects (except for designated development which is accompanied by an Environmental Impact Statement).

QUALIFIER

This Statement of Environmental Effects Template has been produced to assist applicants identify the environmental impacts of a development and the steps to be taken to protect the environment or lessen the expected harm. The template is suitable for minor impact development such as dwellings, alteration & additions, outbuildings, small scale commercial & industrial development and minor subdivisions. It may be necessary for Council to request additional information depending on the nature and impacts of a proposal and the completeness of the document. Larger scale developments should be accompanied by a detailed and specific Statement of Environmental Effects.

You must answer each question and provide reasons and/or details for your answer.

For Further Information Contact Council's Planning Department 02 6724 2000

Proposal Provide a description of the proposed development, including a physical description of building, proposed building materials, nominated colour scheme, nature of use, details of any demolition or other works and consent sought. Property Details Describe the physical features such as shape, slope, vegetation, any waterways. Also describe the previous and current use/s on the site and include a description of the adjoining land Planning Land Zone Lot/s Assessment No Land Area (m²) Description of the Land Existing resident all with dwelling reasonable flact as pect. Yes In No Refer to the Gwydir Local Environment Plan 2013 (LEP) If you have answered 'no' here you should make an appointment to discuss your proposal with a planning before lodging a development application. Are there any restrictions on the Certificate of Title? If 'yes' please attach a copy of the covenant or restriction.	Proposal	construct	on of 7mWx 7mL	9a1a 90/
